DELHI PUBLIC SCHOOL SOCIETY

The Delhi Public School (DPS) Society is a renowned educational organization in India that has made a significant impact on the country's education landscape. Founded in 1949, the DPS Society has grown to become one of the most prominent and respected educational institutions in India, with a significant presence around the world.

The DPS Society's brand is synonymous with quality education, innovation, and excellence. It has earned a reputation for producing outstanding academic results and nurturing well-rounded individuals. This brand has been built on a foundation of rigorous academic standards, a commitment to holistic development, and an unwavering dedication to creating future leaders.

The DPS Society's influence extends far beyond the borders of India. Over the years, it has expanded its network to various countries, establishing a global presence. DPS schools can now be found in countries such as the United Arab Emirates, Nepal, Singapore, and many more. This international expansion has allowed the DPS brand to contribute to the education of students from diverse backgrounds, promoting a global perspective and cultural exchange.

One of the most significant assets of the DPS Society is its extensive and accomplished alumni network. DPS alumni have excelled in various fields, including politics, business, entertainment, sports, and academia. These alumni have contributed to the society and have made their mark on the world stage. Their success is a testament to the strong educational foundation provided by DPS institutions and the ethical values instilled in them.

In conclusion, the DPS Society is a name that resonates with quality education, global reach, and a commitment to creating future leaders.

CHAIRMAN'S MESSAGE

I am happy to know that DPS Howrah is releasing its prospectus. I am sure it will highlight all amenities of the school in such a way that parents will be inspired and understand the quality of the education and extracurricular activities which will be provided by DPS Howrah.

My good wishes to DPS Howrah for a grand success in the years ahead.

MOTTO

“Service Before Self”

The Delhi Public School (DPS) Society, a revered educational institution in India, had its genesis in 1949 when visionary educator Shri. V.K. Shunglu established the first DPS, Mathura Road, in New Delhi. This foundational school embodied a commitment to academic excellence and a holistic approach to education. The society's footprint steadily expanded, nurturing ethical values and high academic standards. DPS schools adopted the Central Board of Secondary Education (CBSE) curriculum, aligning with national educational policies. As its alumni achieved distinction in diverse fields, the DPS Society's reputation soared. Recognizing the importance of global exposure, it extended its reach worldwide. Today, DPS Society remains a beacon of educational excellence and a custodian of moral and ethical values, shaping future leaders in India and beyond.

VICE CHAIRMAN'S MESSAGE

"I am confident that the prospectus of DPS Panvel will give complete information to those who go through it and will enable them to take an informed decision for admission of their ward in the school."

Shri V. K. Shunglu
Honourable Vice Chairman
DPS Society

WELCOME TO DPS

It gives me immense pleasure to welcome you to our institution. A proud member of a growing chain of schools that has established a strong and credible presence across India. At the heart of our vision lies a steadfast commitment to nurturing global leaders who are not only academically accomplished, but also ethically grounded, socially conscious, and equipped to navigate and lead in an increasingly interconnected world. The global leaders we nurture today are the ones who will shape and lead the world of tomorrow.

In a world that is evolving at an unprecedented pace, education must be future-focused. It must prepare students not just for the challenges of today, but for opportunities and responsibilities that are yet to emerge. We believe that true education ignites curiosity, builds character, and inspires learners to think boldly, act responsibly, and lead with purpose.

Across our network of schools spanning regions such as Navi-Mumbai, Kolkata, Howrah, Barasat, Dahanu, Dhanbad, and Agartala. Our mission remains unified to provide a learning experience that is holistic, future-ready, and deeply rooted in values. Over the years, we have steadily expanded from the eastern region of India to the western corridor, reflecting not only strategic growth but also our unwavering dedication to quality education. This pan-India presence promotes strong inter-campus collaboration and knowledge-sharing, creating a seamless and vibrant learning ecosystem.

We continue to strengthen this foundation through partnerships with leading global and national organizations. These collaborations bring global best practices and future-ready skills into the classroom connecting students with real-world issues and cultivating a mindset of innovation, empathy, and global awareness.

Our academic philosophy integrates rigorous scholarship with life skills, financial literacy, digital fluency, environmental stewardship, and socio-emotional learning. We aim to foster not only academic achievers but conscious changemakers who will contribute meaningfully to their communities and the world.

To every parent, thank you for your trust. We see education not as a transaction, but a transformation. Together, let's shape a generation ready to lead with wisdom, empathy, and purpose, and build institutions that stand for excellence, values, and global vision.

Anuj Agarwal
Pro-vice Chairman

As we celebrate the 10th year of our institution, it is both a time to reflect on our journey and to look ahead with renewed purpose. Over the past decade, the school has grown into a vibrant community of learners, where academic excellence goes hand in hand with values, discipline, and character. Every achievement stands as a testament to the dedication of our teachers, the trust of parents, and the hard work of our students.

Looking forward, our focus remains on nurturing curiosity, encouraging innovation, and preparing our students to thrive in an ever-changing world. We are committed to providing an environment where learning is meaningful and every child feels empowered to reach their fullest potential. Our vision: "Your Future, Our Passion."

Mr. Abhinav Saraogi
Director - Operations

At DPS Panvel, people are at the heart of everything we do. Our teachers and staff form the foundation of the school's strength, and it is our endeavour to support and nurture them so they, in turn, can inspire our students. We focus on building a culture of collaboration, inclusivity, and professional growth, ensuring that every member of our team feels valued and empowered. By investing in training and well-being, we create an environment where educators can thrive as lifelong learners and mentors. We firmly believe that when our teachers are motivated and supported, our students benefit from enriched experiences that shape them into capable and compassionate individuals.

Mr. Jitendra Soni
Director - Marketing & PR

At DPS Panvel, we understand that smooth and efficient operations form the backbone of a vibrant learning environment. Every system, from classrooms to co-curricular spaces, is designed to function seamlessly so that students experience a safe, supportive, and engaging atmosphere each day. Our priority is to ensure that academic and extracurricular activities are well-coordinated, enabling children to explore, learn, and grow without barriers. Through consistent improvements, use of technology, and attention to detail, we work to provide a setting where learning is joyful and holistic. We believe that when the daily rhythm of school runs smoothly, children flourish with confidence and enthusiasm.

Mr. Dipesh Kanodia
Director - Transport

ABOUT DPS PANVEL

"Education is not the learning of facts, but the training of the mind to think." - Albert Einstein

At Delhi Public School (DPS), we believe that education is a transformative journey that goes far beyond the pages of a textbook. It is about nurturing curious minds, cultivating values, and building the foundation for a lifetime of learning and leadership. Guided by a legacy of excellence and a forward-thinking approach, DPS stands as a beacon of quality education committed to shaping the future—one student at a time.

Our Vision: Shaping Responsible Global Citizens

Our vision at Delhi Public School is to empower students to become self-directed learners, compassionate human beings, and confident leaders of tomorrow. We aim to create a nurturing environment where academic excellence meets character building, where students learn not just to succeed, but to make a meaningful difference in the world.

We aspire to be more than a school—we strive to be a second home where every child is respected, supported, and inspired to reach their full potential. Our goal is to raise a generation that is intellectually curious, emotionally intelligent, ethically strong, and socially responsible.

Our Focus: Extensive Development and Lifelong Learning

The core of our philosophy lies in extensive education—an approach that values every aspect of a child's growth. While academic achievement remains a key focus, equal importance is given to emotional well-being, physical fitness, artistic expression, and moral development.

At DPS, we believe in cultivating a growth mindset in our students, encouraging them to embrace challenges, learn from setbacks, and continually strive to better themselves. Through a carefully balanced blend of curricular and co-curricular activities, we ensure that every child develops a well-rounded personality.

In an ever-evolving world, we emphasize 21st-century skills—critical thinking, communication, collaboration, creativity, and digital literacy. These are embedded in our daily learning experiences, helping our students become adaptable and future-ready.

Our Teachers: Mentors, Guides, and Lifelong Learners

At the heart of Delhi Public School is a team of dedicated and passionate educators who are more than just teachers—they are

mentors, role models, and lifelong learners. Our faculty members bring not only subject expertise but also empathy, creativity, and a deep understanding of how children learn.

Continuous professional development is a key component of our culture. Teachers participate in regular training sessions, workshops, and seminars to stay updated with global teaching practices and pedagogy. They are encouraged to innovate, adapt, and use a variety of strategies to meet the diverse learning needs of students.

Our teachers also act as facilitators, nurturing a spirit of inquiry and dialogue. They encourage students to ask questions, explore answers, and engage in discussions that go beyond conventional classroom learning.

Our Curriculum: Balanced, Future-Ready, and Value-Driven

Delhi Public School offers a well-researched, broad-based curriculum that is both academically demanding and developmentally appropriate. Based on the guidelines of the CBSE, our curriculum integrates academic subjects with co-curricular domains such as sports, music, drama, art, and environmental education.

We believe that learning should be relevant, engaging, and meaningful. Our classrooms are dynamic spaces where students connect theory with real-world applications through project-based learning, experiential activities, field visits, and technology integration.

Value education is seamlessly woven into our curriculum, ensuring that students learn to respect diversity, practice empathy, and uphold integrity in all aspects of life. Leadership, citizenship, and sustainability are not just concepts—they are live experienced at DPS.

Collaborative Efforts: Building a Stronger Learning Community

We recognize that a child's development is a shared responsibility between the school, home, and community. At DPS, we actively encourage parental involvement and maintain open lines of communication through regular updates, meetings, feedback sessions, and collaborative events.

Through various parent engagement programs, workshops, and orientation sessions, we create opportunities for parents to participate in their child's educational journey, promoting trust and transparency.

Our student council, clubs, and house systems are designed to promote teamwork, leadership, and healthy competition. Inter-school exchanges, model UNs, social service drives, and cultural events allow students to collaborate, contribute, and grow as a part of a vibrant school community.

We also collaborate with national and international educational organizations to bring global best practices to our classrooms. These partnerships expose our students to new perspectives and prepare them for the global stage.

Looking Ahead: Embracing the Future with Confidence

As we move forward, Delhi Public School remains committed to continuous improvement and innovation. We are expanding our digital infrastructure, integrating AI tools in the classroom, strengthening life-skills education, and prioritizing mental health and well-being.

We envision a future where learning is personalized, inclusive, and technology-enabled, where every child is given the tools and opportunities to discover their purpose and lead with confidence.

SCHOOL LEARNING STAGES

BALVATIKA

CLASS NUR TO II

At DPS Panvel, we believe the early years lay the foundation for a lifetime of joyful learning. Our approach nurtures every aspect of a child's growth while gradually transitioning from play-based experiences to more formal academics in Grades I and II, ensuring a balanced journey.

- **Foundational Literacy and Numeracy:** Language and number skills are introduced through stories, rhymes, picture reading, counting games, and puzzles. In Grade I, the focus extends to communication and comprehension, along with early exposure to English conversation and reading habits, structured writing, and arithmetic for clarity and confidence.
- **Socio-Emotional Development :** Through group play, role-play, and interactive activities, children build confidence, empathy, cooperation, and independence.
- **Motor Skills and Physical Development:** Art, clay modeling, threading, outdoor play, and exercises enhance coordination and fitness, with increased focus on organized games as they progress.
- **Creative and Aesthetic Growth:** Music, dance, art, and dramatics inspire imagination, creativity, and cultural appreciation.
- **Cultural Values and Life Skills:** Stories, celebrations, and simple routines instill respect, discipline, hygiene, and pride in traditions.

At DPS Panvel, Classes Nursery to II provide a nurturing environment where children grow into confident and independent learners. They are all set for higher grades.

PRIMARY SCHOOL

CLASS III & V

At DPS Panvel, Classes III to V mark a vital phase in a child's journey, building on preschool foundations with a focus on holistic growth.

Through simulated debates, students honed skills in diplomacy, critical thinking, and global citizenship while working collaboratively towards solutions for pressing world issues.
- **Alumni Connect Programme:** The school's Alumni Connect Programme was held online, providing a heartwarming platform for former students to reconnect with their alma mater. Alumni shared experiences and insights with the current batches, offering both guidance and inspiration while strengthening the lifelong bond between students and the school community.

Together, these initiatives reflect DPS Panvel's commitment to shaping thoughtful, empathetic, and capable individuals prepared to make a meaningful difference in the world.

Our health screening and awareness programme consists of health check up twice a year by a team of Doctors and Para medical staff of JARMA WELLNESS, an

organization dealing in Preventive Healthcare and Education Services. Students are checked for clear vision, dental health, healthy cardio-vascular parameter, good hygiene habits and adequate nutrition. **The feedback is shared with school.**

The Open Door Assessment is introduced for the students to enhance their scientific and mathematical skills. the assessment mainly focuses on concept building and competency based questioning.

Our school is selected as a Pilot school for implementation of Hybrid Learning – “Project Carte Blanche” by the CBSE in

Collaboration with Tech Avant-Garde (TAG) and Microsoft. CBSE has selected only 800+ schools across India and we are proud to be one of them. In this Pilot Project, the following programs are being implemented in partnership with CBSE, Microsoft & Tech Avant-Garde: Hybrid Learning, Digital Literacy Program, Skill Hub Program, Financial Digital Literacy Program, Virtual Field Trips and Adolescent Health Program

Our Financial Literacy Program for classes 6 to 8 empowers students with practical skills in saving, budgeting, banking, and wise spending. It helps them understand the value of money, differentiate between needs and wants, and prepare for future responsibilities—building confidence and independence for life.

THE HINDU

The Hindu has been playing a vital role in carving the students to excel in various stages of life. The students of grade 6 to 10 resort to their daily edition of The Hindu for upgrading their cognition and to accomplish their subject wise projects impeccably.

Gray Quest provides educational institutions with a range of payment solutions to enable them to collect fees seamlessly and offer multiple convenient payment options to their parents. We personally believe that school fees should never come in between a child's growth and education. Essentially, GQ offers 3 payment options - EMI, Auto-Debit Payments and Online Payment Gateway Solutions to institutions. Our EMI facility allows parents/students to convert their annual or term fee payment into easy, convenient monthly installments. For most of our educational institution partnerships, this facility comes with zero extra costs(interest or any other hidden charges) for parents/students. Parents or eligible students, have to complete regular KYC and accept our EMI T&C as part of the sign up process for the EMI facility. This EMI facility is provided in partnership with various Banks & NBFCs.

DPS Panvel has introduced NIE -The Times of India newspaper for the students to encourage them to read and keep them updated with the world's current events.

As we celebrate the 10th year of our institution, it is both a time to reflect on our journey and to look ahead with renewed purpose. Over the past decade,

the school has grown into a vibrant community of learners, where academic excellence goes hand in hand with values, discipline, and character. Every achievement stands as a testament to the dedication of our teachers, the trust of parents, and the hard work of our students. Looking forward, our focus remains on nurturing curiosity, encouraging innovation, and preparing our students to thrive in an ever-changing world. We are committed to providing an environment where learning is meaningful and every child feels empowered to reach their fullest potential. Our vision: “Inspiring minds, shaping futures.”

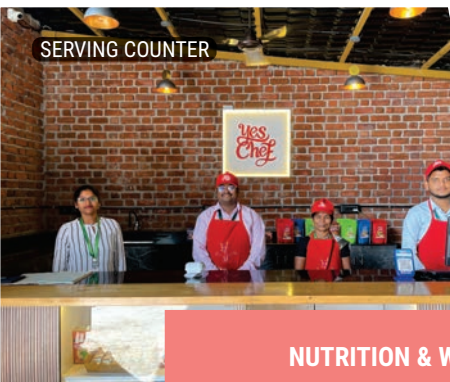

Myclassboard, teachers are been constantly updated with their ward's school activities building a constant parent - teacher association. In Myclassboard, teachers can update student marks, class attendance, create the activities and upload activity related photos and more from the MCB SMART SCHOOL App with data security. The MCB SMART SCHOOL mobile app is available for Android and Apple devices to share the classroom information.

Myclassboard facilitates the teachers with MCB SMART SCHOOL mobile app. It helps all the teachers and parents to keep up with what's happening in the school. The child's growth, development and activities are constantly updated to parents which is integrated to Parent App.
